## **Beginner Class Supply List**

Please be sure to bring all supplies listed with you to class as we will not be able to share supplies. Please contact Diana if you would like her to put together a supply kit. All students get 10% off.

### **For Acrylic Painting:**

Paints and other materials can be student-grade if you're just getting started. Most teachers will tell you to get professional-grade materials as it makes it easier to mix colours and get the results you're looking for. However, for beginners student-grade is fine.
